Dear Mr. Chapdelaine,

Thank you for your letter of March 27, asking me about the honorarium. I assure you that I did not agree to look at the samples for any monetary remuneration. Anything you would send will be welcome and will be applied to supplement our laboratory operation.

I only hope that my participation in the program will be of some use and that some definitive results will be forthcoming.

With best wishes,

Yours sincerely,

  
Kwang W. Jeon
